(c) what are the names of the formulations and bulk drugs oil which benefits of duty reduction was passed on the consumers ;

(d) what are the bulk drugs and formulations where the benefit of reduction has not been passed on to the consumers and has been allowed to be appropriated by the producers ; and

(e) what are the names of bulk drugs whose production has been shifted to basic stages after reduction of customs duty ?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO): (a) and (b) The details asked for regarding reduction in custom duty during the year 1993-94 in respect of bulk drugs, formulations and intermediates are given in the different notifications issued by the Ministry of Finance from time to time, the copies of which are available in the Parliament Library.

(c) to (e) In the case of price controlled drugs and formulations the impact of re- ' duction in custom duty is taken into account while fixing/revising prices of the bulk drugs/formulafidns. Regarding non-scheduled drugs, various Associations of industry are asked to make corresponding reduction in the prices. Customs duty concession on intermediates & bulk drugs is to encourage the manufacture of bulk drugs from more basic stages as also to ensure the availability of medicines in abundent quantity: at, reasonable prices to the consumers.

**Review of Drug Poliey**

12. SHRI H, HANUMANTHAPPA:
DR. NARREDDY THULASI REDDY:
